ABOUT THE MONROE FOUNDATION

The Monroe Foundation was organized in 1991 to provide technical assistance to community development projects seeking to change the conditions of their communities, and find funding to support their efforts. .

The Foundation provides small business development consulting and entrepreneurship training through the Small Business Bootcamp Project.

We seek to work with groups/projects that:

- ✓ Organizations that involve the people they serve as decision makers;
- ✓ Small business and entrepreneurship efforts that create employment opportunities in a community; and
- ✓ Organizations that have goals and objectives that positively impact community issues.

A committee of The Foundation responds to all inquiries for assistance and membership.

Mission Statement:

The Monroe Foundation is a publicly supported not-for-profit agency that seeks to educate, link and fund community development projects benefiting low-income communities in the State of Illinois.
